Hey Campus Mantri,

Level 2 of the **GeeksforGeeks × MongoDB Campus Mantri Program** is now live!

Your unique MongoDB campaign UTM link is:

<https://gfgcdn.com/tu/10wK/>

Important: You need to use **this exact UTM link** and share it **as it is**. Please **do not modify, shorten, or create another link**, as only registrations made through this exact UTM link will be tracked and counted towards your performance.

Registration Criteria

A registration will be counted only when a user:

- Registers using **your unique UTM link**
- Explores the MongoDB course
- (Recommended) Completes the course and earns the certificate

Simply clicking the link or opening the page will **not** be counted as a successful registration.

Task Duration

- **Task Start Date:** Today
- **Last Date of Submission: 20 August**
- **This deadline is final and will not be extended.**
- You have **one full month** to complete this task, so plan your promotions consistently instead of waiting until the last few days.

Keep creating awareness, help your peers upskill, and make the most of this opportunity.

All the best for Level 2!

Team GeeksforGeeks
